For more than 70 years, Harvard Business School Executive Education has been fulfilling its mission of educating leaders who shape the practice of business and innovation. Through an unprecedented network of global research centers in nine key regions, the HBS faculty develops groundbreaking research and forges powerful alliances with leaders of industry, government, and academia.

Each year, more than 10,000 senior executives representing 5,000 companies, 130 countries, and 75 industries attend a diverse portfolio of open-enrollment and custom programs. Situated on 40 acres along the Charles River in Boston, Massachusetts, Harvard Business School Executive Education, as part of Harvard University, continues to expand its global reach and impact.
COMPREHENSIVE LEADERSHIP PROGRAMS

Composed of four distinct offerings, the Comprehensive Leadership Programs are carefully tailored for executives at key transitional points in their careers.

OWNER/PRESIDENT MANAGEMENT (OPM)

WWW.EXED.HBS.EDU/CATALOG/OPM

Summary: Prepare to take your company to the next level by mastering a range of critical skills necessary to realize your potential through this owner management program.

Participant Profile: CEOs, COOs, presidents, managing directors, and executive directors of companies with annual sales in excess of $10 million. Participants should hold a significant equity stake in their firms.

Key Benefits: Position your company for future success by honing your long-term strategy, gaining a global perspective, and assessing your competition.

Upon completion, participants will become alumni of Harvard Business School.

ADVANCED MANAGEMENT PROGRAM (AMP)

WWW.EXED.HBS.EDU/CATALOG/AMP

Summary: Enhance your portfolio of leadership approaches. This transformational advanced leadership course will take your career and company to the next level.

Participant Profile: Senior executives who are proven business leaders. Typical participants hold leadership positions one or two levels from the CEO.

Key Benefits: Prepare to lead in a complex environment by acquiring the analytical and strategic skills to drive innovation, performance, and effective decision-making.

Upon completion, participants will become alumni of Harvard Business School.
GENERAL MANAGEMENT PROGRAM (GMP)

Summary: GMP is a business management program designed to help you transition from an accomplished functional leader to an outstanding general manager.

Participant Profile: Executives with recently expanded general management or cross-functional responsibilities who want to sharpen their strategic, financial, and leadership skills.

Key Benefits: Master the skills to build strong teams, increase profitability and long-term value, and contribute to your company’s growth at a more strategic level.

Upon completion, participants will become alumni of Harvard Business School.

PROGRAM FOR LEADERSHIP DEVELOPMENT (PLD)

Summary: PLD is a comprehensive, accelerated leadership development program that puts you on the fast track to greater leadership responsibilities.

Participant Profile: Managers and functional specialists with approximately 10 to 15 years of work experience.

Key Benefits: Expand your leadership capacity with improved decision-making skills, a deeper understanding of core business functions, and the ability to lead cross-functional initiatives.

Participants earn HBS alumni status after completing the first four modules and either PLD Module 5 or an additional 10 days of HBS Executive Education open-enrollment or custom programs.
